Green-Effective[®] Pre-wash spotter for protein and greasy stains

Easy-to-use All textiles Efficient stain remover

Product profile

- Its formula rich in surfactants and its performing enzymes system allows SOLUS multi to easily remove greasy, protein and food stains.
- SOLUS multi contains no bleaching agents, and no optical brighteners which makes it suitable for all types of textiles, including delicate and colored textile.
- Mainly composed of ingredients from renewable sources, SOLUS multi takes on the responsibility for future generations.

Area of application

- Suitable for all washable fabrics.
- Suitable for all types of machines.

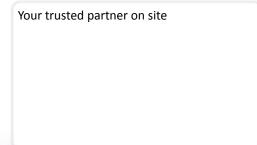

Product safety, storage and environmental instructions

Safety: For professional use only. Test material compatibility before use. For further information, see Safety Data Sheet.

Storage: Store at room temperature in the original container.

Environmental: For maximum effectiveness always use the correct dosage. This will minimize water consumption and reduce water pollution.
